

UHV Assignment No: 02 Prosperity and Accumulation

1) What is meant by prosperity?

Ans: Prosperity is the flourishing, thriving, good fortune and successful social status. Prosperity often produces profuse wealth including other factors which can be profusely wealthy in all degrees, such as happiness and health.

True prosperity entails much more than wealth: it reaches beyond the financial into the political, the judicial, and the wellbeing and character of a nation it is about creating an environment where a person is able to reach their full potential.

Prosperity is the state of having wealth or good fortune.

2) How can it be ascertained?

Ans: Prosperity is also the joy of everyday life and the prospect of being able to build an even better life in the future.” In other words, prosperity enables people to gain meaningful employment, pursue the opportunities they desire, lead productive lives, and build a future for their families and friends.

3) Does accumulation ensure prosperity?

Ans: Prosperity is built by deliberate choices to develop a society that works for everyone an inclusive society, with a strong social contract that protects the fundamental liberties and security of each individual. It is driven by an open economy that harnesses the ideas and talents of the people of a nation. This in turn builds an enabling environment for all to flourish by fulfilling their unique potential and playing their part in strengthening their families, communities, and nations. A prosperous society is not just about what we're getting, but about who we are becoming individually and together.
